

## Read Write Inc. Fresh Start

Training and support for schools with older struggling readers

### Steps to booking training and support

1. Find out about *Read Write Inc.* Fresh Start [here](#).
2. Check costs of training and resources, below, and then contact us on the appropriate link.
3. Ensure your school is happy to adhere to the Commitments below.
4. Please visit our [enquiries page](#) and fill in the required details.

### Training packages

There are two training packages. Each includes at least three of the elements below. The number of elements depends upon the number of struggling readers in the school.

You will need to assess your pupils to help you decide which package is best for your school. Download the assessment and assessment guide [here](#).

Please [contact your local OUP representative](#) if you need help to carry out the assessments.

*Note to Read Write Inc. primary schools: The Fresh Start online training subscription is included in your Phonics Subscription.*

---	--

*\*Further two-hour remote training sessions available to book*

## Training and support

### Online Subscription

#### Bite-size training films

- plan and practise the next day's lesson at all stages of the programme
- practise tutoring your slowest progress readers – including pupils with SEND
- Train new staff

#### Use Virtual Classroom films

- assess pupils' progress and improve teaching
- provide extra individual practice at schools and at home

#### In-action films

- Watch experienced teachers teach every activity

### Remote training sessions

These two-hour remote sessions are for schools with under 10 pupils who need to catch up in Years 5 to 8+.

We show the reading leader and two tutors how to:

- plan timetables
- upload data to the RMT portal and analyse
- select staff to teach Fresh Start
- organize and teach the daily one-to-one teaching (individually until Module 16 and then in small groups)

### Leadership Implementation Day

We show the Reading Leader the systems necessary to ensure success. This day is essential for new schools and those that have not worked with us in the last three years. This does not require a school closure.

We show you how to:

- build an expert team
- plan timetables
- assess pupils
- upload data to the RMT portal and analyse
- select staff to teach Fresh Start
- organise the daily one-to-one teaching (individually until Module 16 and then in small groups)
- run weekly practice sessions and coach reading teachers
- use the Virtual Classroom at school and at home

### **Face-to-face training day**

We show your staff step by step how to teach reading using our latest training steps. This requires all reading teachers to attend.

### **Development Days**

We work with the headteacher, reading leader, teachers and pupils while the school is open.

These days help schools move quickly into Ofsted Categories 1 and 2.

We recommend that schools requiring improvement book *at least* three days support in the first year.

We work with your reading leader to:

- analyse current data
- organise the daily one-to-one teaching
- run practice sessions
- coach reading teachers
- use the Virtual Classroom at school and at home

### **Remote progress meetings**

The hour-long remote progress meetings are with the reading leader, held via Teams or Zoom.

Using assessment data downloaded on the School Portal, we discuss the progress data, decide the next steps for pupils and plan staff practice and coaching.

### **Commitments**

Your schools will achieve the best outcomes with Fresh Start if it is implemented with fidelity.

Headteachers will need to appoint a Reading leader who will:

1. organise weekly practice sessions using the Online Training Subscription
2. assess and track pupils' reading progress every half term
3. ensure pupils are taught according to their progress: individually until Module 16 and then in small groups
4. ensure that the modules are sent home for pupils to practise once complete
5. work with the designated RMT trainer on Development days/ remote progress meetings
6. share assessment data with Ruth Miskin Training every term.
