

Read Write Inc. Phonics

Benefits

With our training and support, and commitment from the school, headteachers can be sure that:

- 90%+ Year 1 pupils meet the expectations of the Phonics Screening Check
- 100% Year 2 pupils meet this expectation
- all pupils develop reading fluency
- older struggling readers learn to read at a level commensurate with their age
- the teaching of reading and writing is rigorous, consistent and of the highest quality
- leaders keep track of pupils' reading progress – and act on the data – to ensure long term success.

Steps to booking training and support

1. Find out about Read Write Inc. in this 10-minute [film](#) and [document](#).
2. Ensure your school is keen to adhere to the 10 commitments below.
3. Check costs of training and resources, below, and then contact us on the appropriate link.

We are currently booking training three to four months ahead, depending upon area.

10 Commitments

Your schools will achieve the best outcomes with Read Write Inc. if it is implemented with fidelity.

Headteachers will need to appoint a Reading leader from EY or KS1 who will:

1. organise weekly practice sessions using the Online Training Subscription
2. coach teachers during lessons (Reading leaders do not teach their own group)
3. assess and track pupils' reading progress every half term
4. group pupils according to progress
5. organise for the slowest progress pupils to be tutored for 10 minutes every day
6. ensure the Read Write Inc. Phonics programme is taught in full (including writing) for one hour five days a week in Year 1 and above, and 20 minutes rising to 40 minutes a day in Reception
7. ensure that Read Write Inc. decodable storybooks and Virtual Classroom links are sent home for pupils to practise every week
8. ensure that eligible pupils complete the whole programme, including pupils in older year groups who are not reading at a level commensurate with their age
9. work with the designated RMT trainer on Development Days/ remote progress meetings
10. share assessment data with Ruth Miskin Training every term.

Training and support

Each training package includes at least three of the elements below. The number of elements depends upon whether the school is new to Read Write Inc, their Phonic Screening Check success and Ofsted category.

1. Online Subscription
2. Leadership Implementation Day
3. Face-to-face training day

4. Development Day
5. Remote progress meetings

1. Online Subscription for Phonics, Fresh Start, Spelling, Nursery, Storytimes, Talk Through Stories

All schools need the Online Subscription. It gives teachers full access to everything we do. We keep you up to date with our latest improvements - films are added to the portal throughout the year.

Bite-size training films

- Plan and practise the next day's lesson at all stages of the programme.
- Practise tutoring your slowest progress readers – including children with SEND.
- Create training pathways that match individual staff training needs.
- Use Fresh Start training to support struggling readers in Years 5 and 6.
- Train new staff.

Virtual Classroom films

- Use during lessons to assess children's progress and improve teaching.
- Give children extra individual practice.
- Continue lessons even when a supply teacher is taking the class.
- Send home the lessons you have taught each week.

In-action films

- Watch experienced *Read Write Inc.* teachers teach every activity using our behaviour strategies.

2. Leadership Implementation Day

We show the headteacher, deputy, reading leader and reception teacher the systems necessary to ensure success. This day is essential for new schools and those that have not worked with us in the last three years. This does not require a school closure.

We show you how to:

- upload data to the RMT portal and analyse
- ensure children are grouped homogeneously
- organise and implement daily one-to-one tuition for the most vulnerable children
- run weekly practice sessions and coach reading teachers
- set online training pathways
- send the Virtual Classroom at school and at home.

3. Face-to-face training day

We show your staff step by step how to teach reading using our latest training steps. The trainer galvanises staff to reach every child – whatever their age and background.

This requires all staff to attend, so is likely to need a closure day.

4. Development Days

These days are critical. We work with the headteacher, reading leader, teachers and children while the school is open.

These days help schools move quickly into Ofsted Categories 1 and 2.

We recommend that schools requiring improvement book *at least* three days support in the first year.

We work with your reading leader to:

- analyse current data from the RMT portal and decide next steps
- implement daily one-to-one tuition to teach the most vulnerable children
- implement weekly practice sessions and coach reading teachers
- set online training pathways for individual staff
- make the most of Virtual Classroom in school and at home.

5. Remote progress meetings

The hour-long remote progress meetings are with the reading leader and headteacher, held via Teams or Zoom.

They take place every term, following the recent assessments that have been downloaded on the School Portal.

We discuss the progress data, decide the next steps for children who are receiving tutoring, and plan staff practice and coaching.

Cost of packages

New Read Write Inc. schools

One year's access to the Online Subscription	£3350 + VAT for under one-form entry*
Leadership Implementation Day	£3550 + VAT for one-form entry
One day face-to-face for up to 45 staff	£3700 + VAT for two-form entry
